

ST-POLI LT/MT/HT

PNEUMATIC FRICTION WELD STRAPPING TOOL FOR PLASTIC STRAP

The pneumatically operated POLI series of friction weld tools are compact and easy to use. With three versions available for light, medium, or high tension, the POLI series can handle any load requirement. The POLI tool is available for use with 1/2", 5/8", and 3/4" wide Ultraband, polypropylene, and polyester strapping. No matter what your strapping requirements are, the POLI series of tools will easily handle them.
